of Udipi section has 5 Demonstration tanks, 16 provincialised waters and 2 important collection centres. In addition to this, Deep Sea fishing operations have been proposed to be started in 3 centres, at Malpe, Hungarcutta and Gangotti. The initial correspondence on administrative matters of the above institutions are dealt with in the Office of the Inspector of Fisheries, Udipi and the amount of clerical work ~~assisting~~ out of the day to-day administration is so heavy that it requires the services of the additional lower division clerk for which sanction is now sought for. The Assistant Director of Fisheries, South Kanara, Mangalore has asked for the permanent retention of this temporary post of Lower Division Clerk since it has been in existence for the last 6 years. But in view of the orders of Government communicated with their Memo. 11915-CII/54-1 Agriculture dated 15-2-54 that proposals for permanent retention of the Posts should be deferred, until further orders, I request Government may be pleased to accord sanction for continuance of the post of the Lower Division Clerk for a further period of one year from 1-3-1955. I request the favour of early orders.
